CHAS. F. WASSENBERG  
PEONY & IRIS FARM  
VAN WERT, OHIO

Dear Grower & Dealer:

Only a few weeks left to plant Peonies in 1927.

Are you going to lose a year by not propagating some of the newer varieties?

Have gone over my stock and made some especially attractive prices which I know you will appreciate.

Plants will all have 3 to 5 eyes with good root system and will be shipped at once.

The 33 1/3 discount on my single catalog prices, if 10 or more plants are ordered, still continues. (Mrs. A.M. Brand and Myrtle Gentry excepted).

Do not delay your order and be disappointed.
